One visit to Richfield and you'll know why so many people make us their first choice for fun and excitement in South Central Utah! With year round events and activities like the hometown 4th of July celebration, Christmas Parade of Lights, Rocky Mountain ATV Jamboree, hiking, camping, fishing, 18-hole golf course, year-round swimming, and the Fremont Indian State Park, there is never a shortage of things to see and do. Add the beauty of the Fishlake National Forest, along with being the regional shopping center for South Central Utah, as well as several great restaurants along historic Highway 89, and you'll wonder why you haven't visited us before.

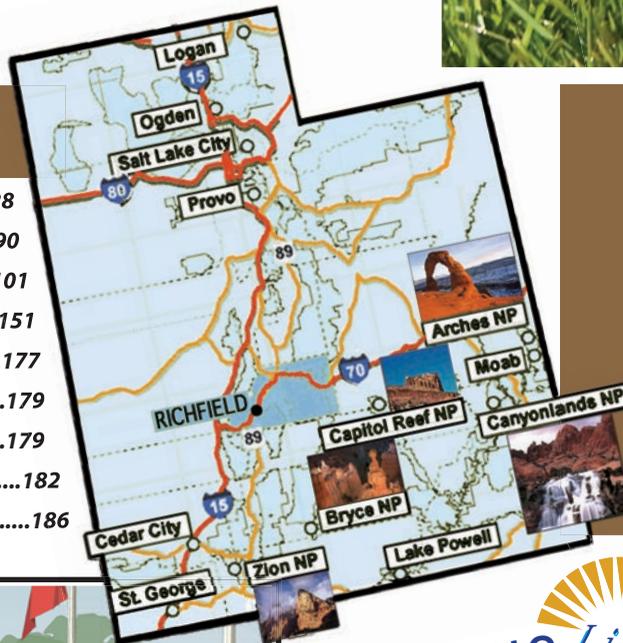

Richfield Mayor Brad Ramsay

MAKING Life BETTER

Sevier Valley Veterans Memorial

The Sevier Valley Veterans Memorial is located at the Richfield City Cemetery. The Veterans Memorial Committee is thrilled to be able to recognize those men and women who have defended our freedom. A life without freedom is not a life worth living.
